WDEA Works Cert III in Early Childhood Education and Care (CHC30113) covers the fundamentals of early childhood education and care. It provides expert, practical instruction and valuable, workplace-based learning opportunities and experiences. On-the-job placement is a hallmark of our course, providing students with a real and rewarding perspective on the industry and how to apply learning in a workplace environment.

WDEA Works' Industry-based model provides students with the skills and confidence that employers value and recognise.

It is a qualification relevant to anyone looking to professionally care for children. Relevant workplaces would include kindergarten, long day-care, outside school hours care, family day care and Nannying. It provides the means to learn about supporting play, basic developmental needs of children, and providing food and health services.

* Subject to number of enrolments.
